ABOUT US

At Pro Net Sports we are dedicated to providing premier quality products and superior customer service.

Located in Ontario, Canada, Pro Net Sports is a family owned business which has been in operation for over 40 years, providing tested and approved hockey net and spectator line for all 31 NHL Teams ® . Our products can also be seen at other professional world sporting events, like The FIFA World Cup, Winter Olympics, the annual

NHL Winter Classic & all NHL Stadium series games.

Our modern production facility, allows Pro Net Sports to design and manufacture high quality netting products, specifically tailored to our customers requirements. We have the netting you're looking for to fit your needs and budget. Orders may be tailored to any height and length at no extra charge.

Ask us how we can serve you today.
